

SEP 07 2001

September 5, 2001

Carol Hanlon
DOE Yucca Mountain Site Characterization Office
(M/S #025)
PO Box 30307
North Las Vegas, NV 89036-0307

This letter is to protest the use of Nevada lands for the purpose of storing high-level radioactive waste or hazardous waste of any type. The current issue regarding Yucca Mountain only serves to underscore the lack of vision and long-term planning for waste disposal by the nuclear energy industry and the DOE.

Sincerely,

A handwritten signature in black ink that reads "Ruth Condray Williams". The signature is written in a cursive, flowing style.

Ruth Condray Williams
